General Instructions

Federal:

Who Must File: All issuers making an offering of securities in reliance on an exemption under Regulation D or Section 4(6), 17 CFR 230.501 et seq. or 15 U.S.C. 77d(6).

When To File: A notice must be filed no later than 15 days after the first sale of securities in the offering. A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

Where to File: U.S. Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549.

Copies Required: Five (5) copies of this notice must be filed with the SEC, one of which must be manually signed. Any copies not manually signed must be photocopies of the manually signed copy or bear typed or printed signatures.

Information Required: A new filing must contain all information requested. Amendments need only report the name of the issuer and offering, any changes thereto, the information requested in Part C, and any material changes from the information previously supplied in Parts A and B. Part E and the Appendix need not be filed with the SEC. Filing Fee: There is no federal filing fee.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on the ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

> Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number

The General Partner shall receive a performance allocation (the "Performance Allocation") at the close of each year equal to twenty percent (20%) of the portion of the Partnership's annual net income (including realized and unrealized gains and net of the Management Fee) attributable to each Limited Partner. The Performance Allocation shall not include any change in the value of a security position held in a Side Pocket Account until such security is reallocated to the capital accounts of participating Partners. The General Partner shall also receive a Performance Allocation upon any withdrawal by a Limited Partner, whether voluntary or involuntary, and upon dissolution of the Partnership. The Performance Allocation shall be in addition to the proportionate allocations of income and profits, or losses, to the General Partner and/or its principals based upon their capital accounts relative to the capital accounts of all Partners. The General Partner, in its sole discretion, may waive or reduce the Performance Allocation with respect to any Limited Partner for any period of time, or agree to apply a different Performance Allocation for that Limited Partner. The General Partner may, in its discretion, reallocate a portion of its Performance Allocation to certain Limited Partners. The General Partner's Performance Allocation is subject to what is commonly known as a "high water mark" procedure. That is, if the Partnership has a net loss in any fiscal year, this loss will be carried forward as to each Limited Partner to future years (such amount is referred to as the "Loss Carryforward"). Whenever there is a Loss Carryforward for a Limited Partner with respect to a year, the General Partner will not receive a Performance Allocation from such Limited Partner for future years until the Loss Carryforward amount for such Limited Partner has been recovered (i.e., when the Loss Carryforward amount has been exceeded by the cumulative profits allocable to such Limited Partner for the years following the Loss Carryforward). Once the Loss Carryforward has been recovered, the General Partner's Performance Allocation shall be based on the excess profits (over the Loss Carryforward amount) as to each Limited Partner, rather than on all profits. The "high water mark" procedure prevents the General Partner from receiving a Performance Allocation as to profits that simply restore previous losses and is intended to ensure that each Performance Allocation is based on the long-term performance of an investment in the Partnership. When a Limited Partner withdraws capital, any Loss Carryforward will be adjusted downward in proportion to the withdrawal. The General Partner may agree with any Limited Partner to apply a different Loss Carryforward provision for such Limited Partner.

In consideration for the provision of administrative services, the Manager shall receive a management fee ("Management Fee"), payable quarterly and in advance, equal to 0.25% (approximately 1.0% annually) of each Limited Partner's share of the Partnership's Net Worth (determined as of the first day of each fiscal quarter). A pro rata Management Fee will be charged to Limited Partners on any amounts permitted to be invested during any quarter. No part of the Management Fee will be refunded in the event that a Limited Partner withdraws all or any of the value in the Limited Partner's capital account during a quarter. The Manager, in its sole discretion, may waive or reduce the Management Fee with respect to one or more Limited Partners for any period of time, or agree to apply a different Management Fee for that Limited Partner. The Partnership shall pay or reimburse the General Partner and the Manager for all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees (including blue sky filing fees). The Partnership intends to amortize organizational expenses over a period of sixty (60) months from the date the Partnership commences operations.

The Partnership shall pay or reimburse the General Partner and the Manager for (A) all expenses incurred in connection with the ongoing offer and sale of Interests, including but not limited to marketing expenses, printing of the Memorandum and exhibits, documentation of performance and the admission of Limited Partners, (B) all operating expenses of the Partnership such as tax preparation fees, governmental fees and taxes, administrator fees, communications with Limited Partners, and ongoing legal, accounting, auditing, bookkeeping, consulting and other professional fees and expenses, (C) all Partnership trading costs and expenses (e.g. brokerage commissions, margin interest, expenses related to short sales, custodial fees and clearing and settlement charges), and (D) all fees and other expenses incurred in connection with the investigation, prosecution or defense of any claims by or against the Partnership. The General Partner and the Manager, in their sole discretion, may from time to time pay for any of the foregoing Partnership organizational or operating expenses or waive their right to reimbursement for any such expenses, as well as terminate any such voluntary payment or waiver of reimbursement. The General Partner and the Manager will pay their own general operating, administrative and overhead type expenses which are part of their day-to-day administration of the Partnership.
